Hello to you all.

The countdown to the end of year and Christmas is about to take off [if it hasn't already!] and we are focusing our thoughts on booking end of year functions and in the craft department making Christmas cards with a difference!!

As you can see from our October Newsletter programme we have many get-togethers with other groups. It is always good to meet with other centres for housie walking and petanque. We are adding to the list on a bi monthly basis, meeting at this stage to play Ten Pin Bowling, with Connect Sth. We hope to develop this into a competition between the Centres. We had such a good time together last month and many discovered they really could play and at the same time have fun!!! So do mark this in your diary and plan to join us. Even if you do not play you could be part of the CHEERLEADING!!

The [hopefully] warmer weather means we can get out and about again and enjoy the sunshine. Do remember to slip slop slap – always good to bring a jacket and sunhat.

Men's Group this month is yet to be decided so put forward your ideas!!

Women's Group this month is put onto the 18<sup>th</sup> instead of the 11<sup>th</sup>, as I will be away in Australia meeting our newest grandchild and there will be no one to drive the van! So I do hope this is not a problem for you. We will do local OP shops as we will have only 2 hours up our sleeve.

Do remember to put your name down for the All Day outings – chose one a month initially and if there are vacancies later, you can opt for the other as well.

As we go to print the AGM for Wellington Aftercare on the 26<sup>th</sup> Sept has not happened!! so we shall report in our next newsletter things of particular interest.

Finally a thought for the month –“Lord, today make my words tender and sweet, because tomorrow I may have to eat them!”

Go well. Lynn, Vai and Kelvin.
